You must continue to visit one of the providers listed above, if you need treatment, for ninety (90) days from the date of your first visit. If you do not, your employer may not be required to pay for these services.

- After this ninety (90) day period, if you still need treatment and your employer has provided a list as set forth above, you may choose to go to another licensed physician or practitioner of the healing arts for treatment. You must notify your employer of this action within five (5) days of your visit to the person of your choice, or your employer may not be required to pay for these services.
- Your bills will be paid for IF: Your licensed physician or practitioner of the healing arts files reports as required (these reports must be filed within ten (10) days after your first visit and at least once a month for as long as treatment continues).
- In the event a posted panel physician recommends invasive surgery, you may seek a second opinion with a physician of your choice. If you choose to undergo the invasive surgery, you must use a posted physician for the treatment.
- If no list is provided as above, you may go to a licensed specialist. Your employer or his insurer will pay the bill for these services.
- If you are faced with a medical emergency, you may secure assistance from a hospital or physician or practitioner of the healing arts of your choice.
